

FURNISHING

Cottons & Satins presents the African Peruvian collection inspired by their culture and heritage. From yardage to made-ups, resembling the culture in bits and fancies, this combination will provide your home with a sense of a modern and well-travelled taste.

DECOR

Tresorie unveils its Diwali collection, comprising exclusive products and accessories. Check out the Victorian inspired metallic trays and platters in both gold and silver, as well as in other varieties in various designs. There are also torans and side hangings, potli bags and diyas.

RUGS

Jaipur Rugs recently showcased a plethora of hand-woven rugs along with some award winning designs at ICE 2017. It works with close to 40,000 artisans in 600 villages in India. Each of their rugs pass through 180 hands, that have perfected the art of hand-knotted rugs.
